Locker Benches

WOOD LOCKER BENCHES

Constructed entirely of wood and aluminum, wood locker benches combine a classic look with strength and durability and are an excellent addition to industrial, office or recreational locker room facilities. The seating area is constructed of attractive butcher block wood and features a maple finish. Wood benches are available in lengths ranging from 36" to 96" in one foot increments and are easily assembled. Each bench is 18" H x 9-1/2" D and includes two (2) 3" diameter bolt mounted aluminum pedestals with four (4) mounting holes to secure to the ground. Pedestals have a powder coated black finish. Wood locker benches are delivered unassembled.
