TELLER LOCKERS

Teller Lockers and Bulk Lockers are built with the same unrivaled quality as Worldwide's Safe Deposit Boxes, using heavy gauge steel and all welded seams. Teller Locker openings are 5" x 15 3/4" wide and come standard with U.L. listed single nose key locks. Bulk Lockers include standard combination locks with pull handles mounted on solid aluminum alloy doors. Our cases are painted using high performance epoxy paint with a textured finish.
