

EST Series Burglary Safes with Electronic Lock

The EST Series Burglary Safes are the answer to today's high incidence of residential burglaries. EST Series Safes also feature the easy to use DL-5000 Touch Screen Electronic Lock making them ideal for home and light commercial applications.

Features :

State-of-the-art DL5000 electronic lock

- A large 3 3/4" touch screen LCD input display allows smooth and easy operation.
- Mode altering display changes from orange in standby mode to bright blue in the open position.
- Accepts (2) user codes and can show open door records for the past 14 entries.
- LCD touch screen display shows low-battery indicator, time, date and keypad.
- Emergency key-lock override system with two (2) keys, power override battery box, built-in spy-proof function and motion detector alert.
- Heavy 14 gauge solid steel construction, plus dual live bolts made also of heavy gauge steel.
- Can be bolted to the wall or floor.
- Carpeted base.
- Pry-resistant recessed door with internal hinges for anti-theft protection.
- Mounting feet and anchor hardware standard.
- Models EST1014 and EST2014 have one removable shelf.
